The National Coalition for Mental Health Recovery is pleased to invite everyone to our free annual
“Visionary C/S/X* Leadership” teleconference.

This Is Our Time: Leading Boldly and Strategically

“A genuine leader is not a seeker of consensus but a molder of consensus... And there comes a time when one must take a position that is neither safe, nor politic, nor popular but he must take it because conscience tells him it is right.” –
Martin Luther King Jr.
